ACTION PLANNER

IDENTIFY SIGNIFICANT GAPS

In your 360-degree feedback report, identify significant or consistent differences between the groups of raters (i.e., self, supervisor, peers, direct reports, etc.)

Based on your feedback, briefly list and describe the greatest gaps between rater groups.

Review the gaps you identified to ensure that they represent significant and/or recurring patterns in your feedback. As you review the list, ask yourself the following questions:

- Do people see me in a different light, depending on my working relationship with them? Why?
- Have I seen evidence of the perception gaps? If so, how are they affecting relationships or performance?
- What would happen if I were to fully see myself from their point of view?

BUILD ON STRENGTHS

Reflect on where you are going. Start by exploring how you got to where you are now. It was through your strengths!

There are things we do so well and effortlessly that we often forget we possess a talent. The 360-degree feedback report identifies your highest scores as seen by others; however, you need to interpret what your real strengths are.

Based on your feedback, briefly list and describe your strengths and talents.

Review the strengths that are apparent in your 360 report. As you review the list, ask yourself the following questions:

- Have these strengths helped me in my career thus far? How?
- Am I continually using these strengths in my career and personal life?
- What would happen if I were to fully utilize these strengths more regularly?

UNDERSTAND DERAILERS

A personal derailer is a behavior that gets in the way of our progress and requires improvement if we are to realize our potential. A derailer is not just a weakness. We all have many weaknesses that we may never choose to improve or need to master.

A derailer has the potential to limit progress in our careers, as well as other areas of life

Based on your feedback, list and describe potential derailers. Note that these may be clearly spelled out within your report, or you may have to search for these based on themes that may stand out.

Review the list above to ensure that the potential derailer(s) identified in your report are critical to success in your role and position. As you review the list, ask yourself the following questions:

- Is this area critical to my continued growth and development? Future direction? Why?
- Have I been making improvements in this area on a regular basis?
- How would my life be different if I were to significantly improve in this area?

IS THIS AREA CRITICAL TO MY CONTINUED GROWTH AND DEVELOPMENT? FUTURE DIRECTION? WHY?

Based on my feedback, the greatest gaps between myself and others are:
